Subject: Gilt Edge Site File Documents

Hi, Andrea,

As noted in your letter transmitting the Gilt Edge Site File documents to us last year (attached), some of the documents were not included since they were either not scanned, or were too large to scan, and exist on compact discs in your files.

I am hoping you can provide me with some of these documents. Specifically:

- Cyprus documents on CDS at document Nos. 1151378-83
- Cyprus Supplemental 104(e) response documents at Doc Nos. 1122342-43
- Any other Cyprus documents produced in response to EPA 104(e) requests for the Gilt Edge Mine Site
- Historical maps at Doc No. 1096547
- Mine claim maps at Doc Nos. 1066081-82

Thanks,
Joe Middleton
